COME TAKE A LOOK AT THE *SWEET NOTIONS* COLLECTION, FULL OF ONE OF KIND, ANTIQUE, PRECIOUS AND FASHIONABLE ACCESSORIES. SO COME SHOP TO MAKE A DIFFERENCE!

*Sweet Notions* has an immediate impact in the environment by recycling, and also aims to create profits to re-invest & become seed money for new social and environmental initiatives that transform people and the places we all live. For instance, accessory design workshops, called DESIGN CAMPS, are being developed to teach skills to marginalized women to help give them a boost back into society.
